AWARD

The Government of Orissa in the Labour & Employment Department, has referred the following dispute for adjudication :

“ Whether the Contractors workman in Cement Packing, loading and other operations of M/s Bargarh Cement Limited are entitled to the benefits of/at par with settlement dated the 25th april 2005 between Cement manufacturers’ Association and Federation of Union ? If so, what should be the details ?”

2. M/s Bargarh Cement Limited, Bardol, Bargarh is the 1st Party No. I and the Contractor is 1st Party No. II whereas IDCOL cement Mazdoor Sangh is the second party.

3. I shall take up all the points together. In this case both parties have filed a joint petition to drop the proceeding stating the grounds that in the mean time the matter has been settled themselves amicably in presence of Conciliation Officer-cum-D. L. O., Bargarh. Both parties have filed Form-K of Orissa Industrial Disputes Rules, 1959. It appears from the papers filed by the parties that they have amicably settled dispute among themselves and they are not interested to proceed with the case. The representative of the management also submitted that he is not interested to proceed with the case in view of the compromise between the parties.

4. As the parties did not contest the case, it is not possible on the part of this tribunal to adjudicate the dispute on merit. accordingly there is no option except to pass a no dispute award. Accordingly no dispute Award is passed.
